

## PASTOR'S PATCH

### Advent Resources

Advent can be a great time of coming closer to Jesus to love and serve Him more as He comes closer to us. It takes effort, but considering all that He has done for us, it's time well spent.

LICC have a series called "Down to Earth" which ties in with our sermon series. Go to their website [https://licc.org.uk/ourresources/down-to-](https://licc.org.uk/ourresources/down-to-earth-a-christmas-devotional-journey/)

[earth-a-christmas-devotional-journey/](https://licc.org.uk/ourresources/down-to-earth-a-christmas-devotional-journey/) to request daily email reflections, or look for it on the **YouVersion** bible app.

SWBA are also doing daily Advent reflections which you can follow on socials @SWBAPTISTS or their website [www.swbaptists.org.uk](http://www.swbaptists.org.uk)

Alternatively, why not get a good Advent book, or read through the gospel of Luke a chapter a day until Christmas?

Whatever you choose to do, have a chat with others in the church and share your journey of discovery with them.

**Carols for  
Remembrance  
5.00pm Sun 8<sup>th</sup> Dec**

On Sunday 8th Dec at 5.00pm we have Carols for Remembrance. If you have experienced loss or sadness, then please come along to this meeting of quiet reflection and gentle Carols, or bring a friend who may be comforted. There will be an opportunity to share in a quiet act of remembrance for people or situations on our hearts.
